About ZENN Motor Company Inc.

ZENN Motor Company, Toronto, Canada, is dedicated to being a global leader in zero emission transportation solutions and technologies for markets around the world. Driven by quality, ingenuity and a philosophy of social responsibility, the ZMC team is redefining what is possible in both urban and business fleet transportation.

The ZENN™ (Zero Emission No Noise) provides an excellent alternative transportation solution for environmentally conscious drivers who want to dramatically reduce their operating costs and free themselves from dependence on oil. The current ZENN low speed vehicle is perfect for urban commuters and commercial fleets such as resorts, gated communities, airports, college and business campuses, municipalities, and parks and is sold through a network of retailers across the United States and directly by the Company in Quebec.

The planned commercialization and implementation of the ultra capacitor being developed by ZENN Motor Company’s strategic partner EESor, Inc., is expected to enable future ZMC vehicles and ZENNergy™ drivetrain powered vehicles to travel at speeds and distances similar to internal combustion powered vehicles but at a fraction of the cost and with zero emissions!
